WHAT THE SHERIFFS OF LOCAL OPTION COUNTIES IN GEORGIA AND TENNESSEE SAY ABOUT STATEWIDE PROHIBITION.

TENNESSEE.

(See Introductory on Another Page.)

MOORE COUNTY, GEO. M. WOODARD, SHERIFF.

Statewide prohibition law can not be enforced—Statewide prohibition has not improved conditions in my County. It is not as popular with the people as the local option law before July 1, 1909. The law can not be enforced. It has certainly not decreased drunkenness and other crimes, they have been greater. Before this law went into effect there were only two convictions for drunkenness for the year 1908 to July 1, 1909. Then from July 1, 1909, to July 1, 1910, there were fifteen cases, and from July 1 until this date there were eighteen cases. It seems impossible to enforce the statewide law as the sentiment in this County is growing weaker every day for statewide prohibition.

VAN BUREN COUNTY, H. CURTIS, SHERIFF.

Conditions worse—Statewide prohibition has not improved conditions in this County, but they are worse in many respects. This law is not as popular with the people as was the local option law and is very much harder to enforce. Crimes and drunkenness have not decreased under the statewide law and there have been more arrests for drunkenness than for anything else.

PUTNAM COUNTY, A. L. WEEKS, SHERIFF.

Drunkenness increasing—Conditions in my County in the way of public drunkenness have been made worse by the statewide prohibition law. In this way the drinking class will drink extra or anything they can get. I do not think that this law is as popular as the local option law, and it is harder to enforce than the local option law was. Drunkenness increasing, there having been over one hundred arrests for this cause.

DICKSON COUNTY, R. D. EUBANK, SHERIFF.

Conditions in my County have not improved under the statewide prohibition law. It is not as popular with the people as the local option law was, and drunkenness and crime have not decreased.

HICKMAN COUNTY, G. W. GRIMES, SHERIFF.

Drunkenness continues—I think the state is in a far worse condition than it was before the prohibition law went into effect. I do not think this law

Population of Memphis, 131,000; arrests for 1910 nearly 11,000, almost 3,000 more than the last year before prohibition. Arrests for drunks and drunks and disorderly conduct, 4,299.

has met with the approval of the people and it is a great deal harder to enforce the law now than it has ever been. There is just as much drunkenness and crime as ever.

FRANKLIN COUNTY, J. W. HUGES, SHERIFF.

Public drunkenness increased one hundred per cent—The statewide law has not improved conditions in my County, and is not at all popular with the people of my County. It is impossible to enforce this law and public drunkenness has increased about one hundred per cent. Where they used to buy and drink, now they send off for a jug of liquor and drink it until they get drunk. I think we have made as many as one hundred arrests for public drunkenness within the past year, whereas we never made one-half that number before. I believe liquor does more harm under the sumptuary system than when held under control with the proper restrictions.

MONTGOMERY COUNTY, R. L. BLACK, SHERIFF.

More arrests than ever for public drunkenness—I do not think the statewide law has improved conditions in my County. It is not as popular with the people as the local option law, and, if anything, it is harder for the officers of the County to enforce. There have been more arrests than ever for public drunkenness.

HENRY COUNTY, R. H. COMPTON, SHERIFF.

I do not think conditions in my County have been improved under the statewide prohibition law. People do not fear it as much as local option and it is harder to enforce. Drunkenness is as bad as it ever was in our County.

SMITH COUNTY, R. L. SCRUGGS, SHERIFF.

Two hundred arrests for drunkenness—Since the adoption of the statewide law, conditions have not improved in this County and this law is not as popular as local option law was. It is harder to enforce and I can not see any decrease in drunkenness or crime. There have been at least two hundred arrests made for drunkenness. This statewide law is very unsatisfactory and is causing a great deal of trouble. There is more bootlegging now than under the old law.

CANNON COUNTY, W. Z. SHIRLEY, SHERIFF.

Statewide prohibition is a failure—Conditions in this County have not improved under the statewide law and the people do not favor it as much as local option. It is very difficult to enforce this law. I can not say that drunkenness has decreased any since the adoption of the statewide law and prohibition in this state, as I see it, is a failure from almost every standpoint. Although I do not know the exact number of arrests for drunkenness, I am sure that there is as much drunkenness now as there was before this law was passed.

POLK COUNTY, G. T. HOOD, SHERIFF.

Statewide prohibition has not improved conditions in Polk County and it is not as popular with the people as local option. It is hard to enforce and there have been about five hundred arrests for drunkenness in the past year.

DIAR COUNTY, C. C. DAWSON, SHERIFF.

Arrests for drunkenness too numerous to mention—I do not think conditions have improved any in this County since the adoption of the statewide law. It is not as popular with the people as the local option law and is very hard to enforce. I can not see any decrease in drunkenness since this law was passed, the arrests for drunkenness being too numerous to mention.

OVERTON COUNTY, BY THE SHERIFF.

No decrease in drunkenness—I do not think statewide prohibition has improved conditions any in my County. It is not as popular with the people as was the local option law and is harder to enforce. There has been no decrease in drunkenness and crime since this law was passed.

GILES COUNTY, BY THE SHERIFF.

People prefer local option—Conditions in this County have not improved any under the statewide prohibition law. The people do not favor it as much as local option. There are more bootleggers in our County than before this law was passed. I can not see that it has decreased drunkenness or crimes.

SEVIER COUNTY, J. B. WATTERS, CLERK CIRCUIT COURT.

The three courts before July, 1909, returned 43 indictments from the grand jury, the year ending July, 1910, forty-four.

GREEN CO., S. H. HUMPHREYS, CLERK CIRCUIT COURT.

For the year 1909, 99 indictments and presentments. For the year 1910, 134 indictments and presentments, which is quite an increase.

MAURY COUNTY, CLAUDE GODWIN, SHERIFF.

The attempt to enforce statewide law expensive—In regard to the prohibition laws in this County, bootleggers are very numerous and the laws are hard to enforce, and also costs this County a great deal of money to try these cases, and then they are hard to convict. We now have about one hundred cases on the docket for trial. We still have a great many arrests for drunkenness.

UNION COUNTY, FRED BAILEY, SHERIFF.

There is a great deal of bootlegging in this County.

WARREN COUNTY, D. C. HIGGINBOTHAM, SHERIFF.

There are thirteen men in jail, ten of them are for selling liquor, and one for murder.

Easily in the Lead.

Louis Jennings, Elsie Hathaway and Florence Brintnall are three schoolmates whose indulgent parents provided a picnic for each of them, giving carte blanche as to the number of their guests and the manner of entertainment on the beach. Three parties in ten days means a lot to young ladies of the tender age of eight. But they recovered quickly enough from the fatigue. Followed comparison:

"I think," said Lou, "ours was a very nice party. And we had ice cream twice, if you remember."

"Oh, I don't know," quoth Elsie—she insists upon being called by her full name and will answer to no other—"I notice all my guests rode 'round on the carousel as often as they wanted."

"I'm sure my party was the best of all," spoke up Flo. "Father says every d-d kid in town was there."

To Make Fruit Jar Rubbers Last. To have fruit jar rubbers last, keep them well covered in a jar full of flour until used, and as soon as removed from empty jars. One can then afford a good quality of rubbers, as kept thus they will safely last several seasons. When there is doubt of old rubbers, they may often be made to eke out one more season by using two of the rubbers to each jar and screwing down tight. Always stand newly filled jars upside down until cool, so test the tops and rubbers.—Designer.
